STEAKS

from the lava stone grill

All steaks are served with small potatoes, pan fried vegetables and some herb butter.

je 200gr. je 300gr. je 400gr.

Rumpsteak

29,50 37,00 45,90

Origin: Argentina • Gran Asado

rear upper part of the back, also called roastbeef

Fillet steak

38,50 52,50 62,40

Origin: Germany • Simmertal

sits below the roast beef, fine-grained and tender, the fillet only makes up about 1,5% of the whole beef

Steak from the hip

Origin: Argentina • Gran Asado

24,00 30,00 37,50

located behind the roast beef, very fine veins of fat, is considered a lean and juicy piece

Flanksteak

Origin: America • US Prime Beef

33,00 43,90 54,90

from the rear abdominal flap, relatively thin piece of meat, long fibered and lean

Wagyu Entrecôte

Origin: Australia • Stockyard BMS 8-12

circa 250gr. 118,00

Wagyu is a Japanese breed of cattle, which is characterized by its very fine and evenly criss-crossed veins of fat, also the fat tastes like butter

If you don't order how well your steak should be, we do it medium!

Sač

Spocken : Satsch • from for people only possible with advance booking •

Suckling pig or lamb is cooked in a cast-iron pan with a lid (so-called sac) for several hours together with potatoes, carrots and onions. The meat is particularly juicy because the Sac is covered with coal and heated all around.

Talk to us, we will be happy to put together your Sac individually!
